ARTICLE II. DIFFERENTIAL/TRAINING PAY

Any employee, excluding those classifications that require training as part of the assignment (e.g. supervisors), designated by the department in advance to provide formalized training to a new employee or an employee who management has identified as needing formalized training, shall receive a five percent (5%) differential in salary for that time served in such capacity. Formalized training programs must be established in order for an employee to be eligible for the training differential pay. In-service training does not qualify for the training differential pay. Minimum number of hours required to qualify for the training differential shall be five (5) hours on each occasion.

ARTICLE III. SPECIAL PAYS

- A. Employees shall not be deemed eligible to receive such pay until they have successfully completed their one (1) year probationary period.
- B. Police Scene Technicians (formerly Crime Scene Technician and Multi-Services Officer) hired prior to January 1, 1997 who have a BA/BS degree in a job related forensic field will receive bi-weekly payment of one hundred and ten dollars (\$110.00).

Where more than one certificate is listed per job class, no stacking of payments will be made (no additional payment will be made for a second certificate by an employee). Police Scene Technicians who receive the special payment as described in Section B of this Article will not be eligible for any certification pay as described in Appendix W.

- E. Employees who possess certificates are responsible for submitting their certificate with the corresponding Personnel Action Form in order to be paid the two and one-half percent (2.5%) stated above.

ARTICLE IV. SERVICE TERM BONUS

In recognition of the substantial contribution to the community made by employees as a result of the length of their aggregate City service, the City shall annually award each applicable employee a service term bonus pay as indicated below.

Service Term	Service Term Bonus
Beginning of 10th year and every year thereafter	2.5% of base salary
Beginning of the 15th year and every year thereafter	An additional 2.5% of base salary

Such service term bonus pay shall be included on each eligible employee's bi-weekly payroll.

The service term bonus is to be considered as part of an employee's total compensation. However, only actual costs of the service term bonus shall be used when calculating total compensation for the purpose of comparing salaries and benefits of the City to other benchmark agencies.

Employees hired on or after January 1, 2016, who receive a satisfactory or above annual performance review shall be eligible for an annual lump sum performance bonus as follows:

Service Term	Service Term Bonus
Beginning of 10th year to completion of 14th year	2.5% of base salary.
Beginning of the 15th year and every year thereafter	5.0% of base salary.

The annual lump sum performance bonus shall be paid with the first full pay check in January each year.

ARTICLE V. COURT APPEARANCE

- A. Employees who are off duty (excluding sick leave days off or Workers' Compensation leave) awaiting court appearance and such appearance is cancelled by the court, shall receive standby pay of two (2) hours pay at their overtime rate. In the event the employee is notified of the cancelled court appearance prior to the end of their last regularly scheduled shift the employee
-

shall not be entitled to any standby pay. If an employee is scheduled to appear in court within two (2) hours of the time he/she is to report for duty and the appearance is cancelled by the court the employee will receive standby pay only up to the time he/she is to report for duty. In no way will the employee's eligibility for standby pay and actual work hours overlap. The required notification for this provision shall be one of the following:

1. Notice in person or by telephone to the employee including messages left on telephone recorders, cell phones, email, or answering devices at the employee's place of residence.
 2. Voice mail delivered thirty (30) minutes prior to the end of the employee's last regularly scheduled shift.
 3. Outlook Calendar, for those employees who have been issued a Department smartphone.
- B. Employees who are off duty and are required to make a court appearance shall be entitled to a minimum of four (4) hours of overtime pay for court appearances. Where the first court appearance of the day overlaps with a second court appearance, employees shall receive overtime compensation hour-for-hour beyond the conclusion of the first four (4) hours. Employees who begin a regular or other work shift within four (4) hours of their required court appearance time (travel time included for court appearances outside of Roseville) will be compensated hour-for-hour for time spent in court prior to the beginning of their work shift. If during the four (4) hours an employee is required to report to a regular or other work shift, the court pay will terminate. In no way will court time pay overlap with a regular or other work shift.
- C. Employees attending court shall not be compensated for the lunch recess.
- D. Employees shall not be eligible for meal reimbursement during or for court appearances except in the case when a court appearance occurs on an employee's day off and the appearance is continued through the court lunch break. In this case the employee may be reimbursed for the actual cost of the meal not to exceed ten dollars (\$10.00). Each reimbursement request must be accompanied by a receipt.
- E. For multiple same day subpoenas an employee is entitled to receive standby pay in accordance with Section "A" of this Article when the employee has subpoenas for the morning (0800-1200 hours) and afternoon (1300-1700 hours) and when one or both are cancelled. Standby shall be paid for one or both subpoenas so long as appearance times do not overlap or unless the employee is notified prior to 1230 hours in reference to any cancellation of the afternoon subpoena. Such notification shall be either via telephone or in person.

ARTICLE VI. OVERTIME

- A. Overtime work may be required of any employee in order to meet special or unusual needs of service beneficial to the City and community. However, no employee may be required to work overtime during any scheduled work week in which he/she is on unpaid status due to disciplinary action. Overtime is defined as the number of hours worked in excess of the normal weekly schedule of work hours as illustrated below:

EMPLOYEE WORK SCHEDULE		OVERTIME
1.	Eight hours per day, five days per week (5/8 Plan)	Over eight hours per day and forty hours per week
2.	Ten hours per day, four days per week (4/10 Plan)	Over ten hours per day and forty hours per week
3.	A flex-time schedule approved by the City Manager	Over the prescribed number of hours per day

Workers' Compensation leave hours are not to be considered to be hours worked for overtime purposes.

- B. Incidental overtime, defined here as less than fifteen (15) minutes nonrecurrent extension of the workday/shift, is not compensable in any form.
- C. Overtime shall be compensable in increments of thirty (30) minutes.
- D. Overtime shall be compensable at the rate of one and one-half (1 ½) times the employee's base hourly rate.
- E. Shift Extension. If an employee is called to work early or is worked beyond his/her normal work shift, compensation for overtime shall be calculated in accordance with Subsection C of this section.
- F. Shift Change. When a police unit employee is required to work more than four (4) consecutive shifts as a result of a shift change, the employee will be eligible for overtime pay beginning with the fifth and succeeding consecutive shifts worked, for employees on 4/10 schedule. Employees on 5/8 schedule who are required to work more than five (5) consecutive shifts as a result of a shift change, will be eligible for overtime pay beginning with the sixth and succeeding consecutive shifts worked provided the shift change for either a 4/10 or 5/8 schedule results in the employee being off work between shifts for less than twenty-four (24) hours. Shift changes which exceed twenty-four (24) hours and shift changes for purposes of training, shall not be eligible under this provision.
- G. Compensatory Time. Compensatory time shall be governed as follows:
 - 1. Regular and probationary employees may, with the prior approval of their supervisor, accrue compensation time in lieu of overtime pay. The accrual rate for compensatory time shall be one and one-half (1 ½) hours for each hour of overtime time worked.
 - 2. Once an employee has been credited with compensatory time, the employee shall either take the CTO or shall be paid for all hours accrued. Employees requesting payment for accrued CTO hours shall be paid by the next full pay period from the date requested.
 - 3. Upon separation the employee will be paid at the employee's current hourly rate or average of last three (3) years whichever is higher for the remaining compensatory balance.
 - 4. Maximum accumulation of compensatory time shall be 240 hours.
 - 5. The parties further agree that usage of accrued compensatory time shall be governed as follows:

The City and Department agree that an employee's CTO request will generally be granted, unless granting the CTO would provide undue disruption to operation of the Department as determined by the Chief of Police or designee, including if it would result in below recommended minimum staffing levels on any shift. If the CTO request is for less than forty (40) hours and the employee provides at least fourteen (14) days' notice for the request, the Department agrees to grant CTO leave on the specific date requested even where backfilling on overtime is required unless granting the CTO would provide an undue disruption to operation of the Department as specified herein. If the CTO request is for more than forty (40) hours and the employee provides at least twenty-eight (28) days' notice for the request, the Department agrees to grant CTO leave on the specific date requested even where backfilling on overtime is required unless granting the CTO would provide an undue disruption to operation of the Department as specified herein.

- a. Each shift shall be treated and considered separately.
- b. Granting the CTO shift, as set forth in subparagraph 5, shall apply to requests issued after shift bidding. Requests for CTO leave prior to shift bidding shall be granted at the discretion of the Chief of Police or his/her designee.
- c. The employee requesting the use of compensatory time off shall generally be notified as to whether the request has been granted by the end of his/her shift, or within a reasonable amount of time thereafter. If an employee requests to use CTO on multiple shifts where other circumstances delay the Department's ability to grant or deny the request immediately, the Department shall notify the employee of whether the request is granted within a reasonable amount of time.

If within one year of employee's request, the time off has not been granted, the City shall cash-out the amount of CTO requested.

- d. Supervisors may grant CTO requests at their discretion where granting the leave may require the Department to backfill for overtime. Generally, such requests will be granted where the employee is able to demonstrate a special need for the CTO leave usage, and the use of other available leave types is not practical.
 - e. CTO requests from Communications staff for time off shall be submitted no less than 7 days before date of request.
- H. Employees assigned to shift work in the police department whose regular work schedule requires work on a holiday shall be compensated at their straight time hourly base rate of pay for performance of work on holidays. Compensation for holidays worked for such employees shall be as set forth in this Agreement.
- I. Employees who are entitled to take holidays off work as holidays occur, and who are required to work on a holiday when they would otherwise observe the holiday off, shall be compensated by either of the following methods, the choice of which shall be made by the employee's supervisor in advance of such work:
- 1. If an employee works the holiday and does not receive any other scheduled work day off in lieu of working the holiday, the employee shall be compensated at the rate of regular pay plus time and-one half the employee's base hourly rate (for the actual number of hours worked on the holiday).
 - 2. If an employee works the holiday and receives another scheduled work day off in lieu of working the holiday, the employee shall be compensated at the rate of time and one-half the employee's base hourly rate for the actual number of hours worked on the holiday. Under this option, the employee must be given another scheduled work day off within the period of five (5) working days after the worked holiday with corresponding notations upon appropriate payroll reports.

ARTICLE VII. STANDBY

The City agrees to the following standby provision concerning represented employees.

- A. Standby assignments will be made on a weekly basis. Employees assigned to a weekly standby (Saturday through Friday) will be compensated at a rate of eleven (11) hours straight time pay per week.
- B. Employees who are scheduled for intermittent standby (assignments of less than one (1) week) shall receive \$1.50 per hour for all hours while assigned.

- C. Such payment shall be in addition to the overtime payments, which may be payable for call backs, pursuant to City Personnel Rules and Regulations. An employee on standby may be authorized to take a City vehicle home, provided the employee lives within the area bounded by heavy black lines on the attached map (Appendix "X").
- D. Employees will be provided a pager and/or cell phone when assigned to standby.
- E. Employees will be expected to respond to call backs as soon as possible but within one (1) hour of notification.
- F. The department shall make standby assignments voluntary whenever practical.
- G. The City reserves the right to schedule standby as needed.

ARTICLE VIII. CALL BACK

Pursuant to Sections 3.12.040 of the City's Personnel Rules call back shall be governed as follows:

All regular and probationary employees are entitled to a minimum call back pay of two (2) hours at the appropriate overtime rate when said employee is required to return to work after leaving the work site at the end of their scheduled work shift or required to return to work on their scheduled day off. This provision does not apply when (i) employees are required to work beyond their normal work day/shift without having been called to return to work or (ii) when an employee is called in to work prior to the start of their work shift and the employee continues to work into their normal shift without having been released to go home.

ARTICLE VIX. WORK OUT OF CLASS

Pursuant to Roseville Municipal Code, Section 3.07.080, no employee shall be required to perform duties which are not closely related both in kind of work and in level of responsibility to duties formerly assigned to positions in the class, except on a short-term, temporary or emergency basis. However, if a supervisor assigns an employee to work out of class for four (4) hours or more, or one-half (½) shift or more, the employee shall be paid the salary appropriate to that class for the entire day or the entire shift. If an employee is required to work out of class for a substantial period of time, request should be made by the department head either for reallocation of the existing position or for temporary appointment to a position in a more appropriate class. No request for reallocation or temporary appointment shall be considered, however, in situations where work assignment is less than one calendar month's duration.

Compensation shall be five percent (5%) more than the employee's current salary rate in the lower class.

For employees assigned to management classifications the compensation shall be ten percent (10%) more than the employee's current salary rate in the lower class. In the event that the top step in the higher range is less than ten percent (10%), the employee will be compensated at the top step of the higher class.

Temporary Acting Pay

An employee temporarily assigned in writing to an acting position in a classification with a higher salary range shall be compensated for the duration of the acting assignment by the payment of ten percent (10%) of the regular salary the employee received prior to the acting assignment, or the salary provided for in Step A of the higher classification, whichever is greater, but not to exceed top step of the higher classification. The higher classified position must be temporarily vacant due to a long-term absence of the incumbent or pending the filling of a vacant position. The temporary acting pay assignment shall be for a minimum of two full-time pay periods and limited to one year. Authorization for a temporary acting assignment must be given by the employee's supervisor and requires advance approval of the Department Head, Human Resources Director and City Manager.

ARTICLE X. BILINGUAL PAY

Employees who are certified by the Human Resources Department as bi-lingual speaking shall be paid one hundred dollars (\$100) per month (\$46.15 bi-weekly).

ARTICLE XI. SHIFT DIFFERENTIAL

- A. Shift differential for purposes of this section is defined as a shift of eight (8) hours or more where fifty percent (50%) of the shift falls between the hours of 10 pm and 7 am except as otherwise stated in section C below.
- B. Any employee who works an assigned regular time shift as described in "A" above, shall be paid an additional two and one-half percent (2.5%) of his/her base hourly rate for each hour actually worked. No shift differential will be paid on sick leave, vacation, CTO or any other time off.
- C. Hours worked on overtime, whether the employee is held over, called in to cover a shift or partial shift, or volunteers for an overtime shift, will be judged independently, but on the same standard. If at least half of the overtime hours are between 10 p.m. and 7 a.m., all overtime hours worked will qualify for the two and one-half percent (2.5%) shift differential and will be paid at two and one-half percent (2.5%) of the base hourly rate and not the overtime rate.
- D. This provision does not apply to any shift with allowable sleep time.

ARTICLE XII. PAYROLL ERRORS

- A. In the event an error has been made in the payment of an employee's compensation (which may include, but is not limited to salary, overtime, payment or leave accruals), balances or usages, City shall, for purposes of future compensation adjust such compensation to the correct amount, giving written notice to employee.
- B. In the event an employee received an overpayment or underpayment of wages, the employee may select one of the following methods:
 - a. Lump sum payment by employee or employer;
 - b. One-time deduction from usable vacation, compensatory time off (CTO), or holiday leave balances equivalent to the overpayment at the employee's current hourly rate;

No compensation will be made for jury duty served on days off. Jury duty is not considered time worked for overtime purposes.
- B. An employee who is empaneled on jury duty and normally works a night shift will be changed to the day shift for those days required to be on jury duty. If the jury is empaneled for less than eight (8) hours, the employee must report to work for the balance of the shift.
- C. Employees will be allowed to retain any mileage compensation granted to them by the respective court jurisdiction to which they were summoned or selected for jury duty.
- D. Employees summoned to jury duty must provide evidence of such summons and subsequent jury duty days away from work through their respective department heads to the Human Resources Director.

ARTICLE IV. VACATION

Vacation provisions shall be governed pursuant to Roseville Municipal Code Section 3.12.060. It is understood that this section may not be amended without first meeting and conferring in accordance with Government Code 3500 et seq. Each employee may request and receive payment at the regular hourly rate for up to eighty (80) hours per year of accrued vacation leave, provided there is a minimum remaining balance of one hundred (100) hours following payment. All buy backs will be subject to an eighty (80) hour maximum within a twelve (12) month period. Any tax liability created by this form of compensation shall be the sole responsibility of each employee.

The purpose of vacation leave is to provide eligible employees the opportunity to take paid time off from their job responsibilities in order to maintain a high standard of mental, emotional and physical conditioning.

- A. Eligibility. All full-time and part-time employees in the classified service and unclassified service as defined in Section 3.01.050.B.1 shall be entitled to annual vacation leave with pay. Each employee will earn and accrue vacation hours pursuant to the accrual schedule as noted in subsection B. Exceptions to this provision shall only be granted in unusual circumstances substantiated by the Department Head in a recommendation to the City manager who may approve or disapprove such variance.
- B. Accrual. Unless specified in applicable labor agreements, each full-time eligible employee identified in subsection A shall earn and accrue vacation leave, subject to the conditions stated in this section, with pay as follows:

<u>Service Category</u>	<u>Biweekly Accrual</u>	<u>Days/Year Equivalent</u>	<u>Max. Hours Accrual</u>
New employee to completion/4th year	3.693/hr	12 days (96 hours)	192
Start of 5th year to completion/9th year	4.307/hr	14 days (112 hours)	240
Start of 10th year to completion/14th year	4.923/hr	16 days (128 hours)	272
Start of 15th year to completion/19th year	5.538/hr	18 days (144 hours)	304
Start of 20th year and succeeding years	6.153/hr	20 days (160 hours)	336

- Employees working a part-time schedule will accrue vacation hours on a prorated basis, in proportion to the full-time equivalent (FTE).
 - As noted in subsection A of this section, new employees shall earn vacation at the biweekly rate shown above, commencing on the date of hire. Eligible employees shall advance to the next higher rate of accrual upon completion of the maximum number of years at the lower accrual rate, and shall begin to accrue at the higher rate at the start of their qualifying year.
 - Except as provided in Section B, an employee's maximum accrual of vacation hours may not exceed the employee's annual accrual rate as specified above and an employee will stop earning and accruing vacation hours while the employee's accrual remains at the maximum allowed in Section B. This maximum level is monitored at the employee's hire anniversary date. If accrued hours exceed such amount as of the hire anniversary date, vacation accrual will be suspended until the balance is brought below the maximum accrual amount.
 - If the accrued amount exceeds specified limits, the employee shall take leave for the excess number of vacation hours or, if the department head determines that operational necessity will not permit taking such leave, the employee may be paid the straight time hourly equivalent for not more than twenty (20) hours. Additionally, the maximum vacation hours an employee may accrue will be extended when an employee is on disability leave, jury duty, or military leave as provided in these rules. The employee shall be allowed to liquidate such excess accrual within thirty (30) calendar days following return to duty, by means of taking such leave time or receiving straight time hourly equivalent compensation for not more than twenty (20) hours of vacation.
- C. Use. An employee may elect to take all or part of earned vacation, or may carry over to the next service year all or part of earned vacation as approved by the department head and consistent

with the provisions of subsection B of this section. However, the dates and amount of vacation selected by the employee shall be subject to approval of the employee's supervisor. Vacation leave shall generally be taken in minimum increments of one full workday/work shift, except that unusual, emergency, necessary and infrequent use of vacation leave may be granted in one hour increments. Employees must request vacation leave at least ten (10) workdays prior to the desired start of vacation leave. Under unusual or personal emergency circumstances, employees may request and supervisors may consider the approval of vacation leave with fewer than ten (10) working days' notice. In the event it becomes necessary to call an employee back to work from a scheduled vacation, the employee shall be credited with the unused vacation hours and shall have the opportunity to take such remaining vacation leave at a time of the employee's choosing and the supervisor's approval.

- D. Holidays Within Vacation Leave. Except for shift personnel, holidays which occur during a scheduled vacation period shall be counted as a holiday. Employees may request in advance that they extend their vacation leave by the number of holidays occurring within their scheduled leave, or they may request fewer vacation hours which, together with the holiday(s), will comprise the total time period of their scheduled leave.

ARTICLE V. PERSONAL LEAVE TIME

Each full-time employee in the RPA unit who has completed his/her initial probationary period with the City shall be provided a bank of forty-five (45) hours of PLT on the first pay period of each calendar year. Part-time employees shall receive a pro-rated bank.

Use of PLT time shall be subject to the following:

- A. PLT may be used by employees for time off on an hour for hour basis until the employee has exhausted the bank.
Use of PLT shall be subject to the operating needs of the City. The City may deny an employee time off on PLT if such release time will adversely impact the operating or staffing needs of a City department.
- B. PLT shall have cash value and may be cashed out by the employee on an hour-for-hour basis at the employee's regular straight-time hourly rate of pay. Employees may cash out unused PLT in any regular pay period pursuant to procedures established by the City Human Resources Department.
- C. Any PLT time remaining in an employee's PLT bank on the last pay period of the calendar year shall not roll over into the next calendar year. Such PLT time shall be cashed out by the City on an hour-for-hour basis at the employee's regular straight-time hourly rate of pay.
- D. Employees who terminate employment with the City or leave the bargaining unit shall be cashed out at the rate of .86538 hours per week up to the balance of the employees PLT bank. If an employee terminates and has taken more PLT in advance than .86538 hours per week, the City shall deduct an equivalent amount of pay for the PLT. Any time cashed out will be paid on an hour-for hour basis at the employee's regular straight-time hourly rate of pay. Part-time employees will receive a pro-rated cash out of their bank.
- E. Any employee hired after the 1st of the year shall be granted a prorated amount at .86538 hours per week for the remainder of the calendar year. For example, if an employee is hired on July 1, the employee shall be granted 22.5 hours of PLT.

ARTICLE VI. MODIFIED DUTY

MODIFIED/ALTERNATE DUTY PROGRAM

PURPOSE

To enable employees who have an injury, illness, or accident, as outlined by a health care provider/treating physician ("health care provider"), that renders them temporarily unable to perform one or more of the essential functions/job duties listed in their Job Specification to work in a Modified/Alternate Duty Assignment.

This program is not available to those who have received permanent restrictions from a health care provider and should not be construed as recognition that an employee has a disability as defined by the Americans with Disabilities Act (ADA) of 1990 or the ADA Amendments Act (ADAAA) of 2009.

POLICY

It is the policy of the City of Roseville to work with an employee who has been injured on or off the job and/or who may have an illness or condition that temporarily limits them from performing one or more of the essential functions/job duties listed in their Job Specification.

PROCEDURE

When an employee has an injury, illness or accident that renders them temporarily unable to perform one or more the essential functions/job duties associated with their regular job, they are eligible to participate in a Modified/Alternate Duty Assignment.

- If the injury/illness is non-work related, the employee may return to a Modified/Alternate Duty Assignment should one be available that meets the restrictions imposed by the employee's health care provider.
- If the injury/illness is work related, the employee is required to return to a Modified/Alternate Duty Assignment should one be available that meets the restrictions imposed by the employee's health care provider.

When an employee's health care provider imposes restrictions, the Human Resources Department will determine if the restrictions preclude the employee from performing one or more of the essential functions/job duties listed in their Job Specification and if it is necessary to place the employee in a Modified/Alternate Duty Assignment. The Human Resources representative will work with the health care provider and the department to clarify restrictions if necessary.

Supervisory Notification

The employee's work restrictions will be identified in a Work Status Report or on the City of Roseville Certificate for Return to Work or Further Treatment (Attachment A) provided by the health care provider.

- If the employee's department is able to accommodate the restrictions, the employee's supervisor will notify Human Resources and a Modified/Alternate Duty Form (Attachment B) will be completed by Human Resources. The form shall include a description of the assignment being offered and the restrictions of the employee. The form must be signed by both the supervisor and employee and returned to Human Resources for final approval before the employee is returned to work. If the employee has already returned to work, and if the employee does not sign the agreement he/she will be removed from work.
- If the employee's department is unable to accommodate a Modified/Alternate Duty Assignment, the department will notify Human Resources immediately. Human Resources will contact other departments for possible Modified/Alternate Duty Assignments based upon the employee's restrictions. If an assignment is found within another department, Human Resources will coordinate the placement of the employee.

When a Modified/Alternate Duty Assignment is unavailable in any department, the employee will be placed on temporary disability/sick leave/unpaid leave depending on the nature of injury/illness and availability of leaves.

Employees who are off work are required to contact their supervisor and Human Resources **by the start of the next business day** following a change in their work restrictions or medical condition as determined by his/her health care provider. Additionally, each time the employee attends a follow-up visit, a new work status report shall be obtained by the employee and a copy **must** be provided to the Human Resources Department even if restrictions have not changed. Failure to provide Human Resources and/or their

supervisor with current work status reports may result in the employee being taken off work and required to utilize available personal leaves, if available.

It is the responsibility of the employee and the employee's supervisor to ensure the employee is complying with, and working within, the work restrictions imposed by the health care provider.

Workers' Compensation Injuries Only:

If an employee completes a Modified/Alternate Duty Assignment, and no additional Modified/Alternate duty work is available, the employee will be placed off work while receiving all benefits afforded them through the Workers' Compensation system.

An employee on Workers' Compensation may choose to refuse the Modified/Alternate Duty Assignment if the assignment is expected to last one week or less. However an employee who refuses a Modified/Alternate Duty Assignment is subject to having their workers' compensation temporary disability benefits terminated and will be required to use personal leave, excluding sick leave, for lost time.

Duration

Modified/Alternate Duty Assignments will typically not exceed two hundred and seventy (270) calendar days per injury/illness. Upon completion of the assignment, the employee shall be removed from work until released to full duty or deemed to have permanent restrictions. The employee may use any benefits available to them at that time. In no case will a Modified/Alternate Duty Assignment continue once an employee has received permanent restrictions from a treating physician.

Timekeeping

When an employee is assigned a Modified/Alternate Duty Assignment, the employee shall be compensated for hours worked at their regular rate of base salary and benefits (24-hour shift employees exception noted below) regardless of whether or not the employee performs work within the regular classified position or is assigned to the employee's regularly assigned department. If an employee is assigned to a Modified/Alternate Duty Assignment of less than full time, compensation for hours worked may be supplemented by either temporary disability, accrued sick leave, or other available leave depending on the nature of the injury/illness. Modified/Alternate Duty Assignments will be noted as such within the payroll timekeeping system to ensure accurate reporting of time worked.

24-Hour Shift Conversion

For changes in the middle of a pay period from one schedule to another schedule (e.g. 24-hour shift personnel to an 8-hour/5-day shift), actual hours worked will be referenced in the notes section of the payroll timekeeping system. When a Modified/Alternate Duty Assignment continues to subsequent pay periods, the employee's schedule will be changed in the payroll timekeeping system to reflect the actual schedule worked. In this case, the employee's holiday bank will be maintained but sick and vacation leave will be converted to reflect the assigned schedule accruals. The conversion rate for vacation and sick leave banks will be 1.5 unless noted in the following table.

24 Hour Fire Department Vacation Conversion Rates:

New to 4 years	1.499
5 – 9 years	1.598
10 – 14 years	1.588
15 – 19 years	1.591
20+ years	1.511

The employee's banks will be converted back utilizing the same conversion factors when the employee is released to full duty.

RESPONSIBILITY

It is the employee's responsibility to ensure his/her supervisor and Human Resources have the most recent physician statement on file and to notify their supervisor if they feel the work they are doing exceeds the restrictions set forth by their health care provider.

Should an employee be placed in another area, division, or department, it is the employee's and Human Resources' responsibility to convey the restrictions to the supervisor in charge of the Modified/Alternate Duty Assignment.

It is the current supervisor's responsibility to ensure employee restrictions are adhered to during the Modified/Alternate Duty placement. Coordination between the Modified/Alternate Duty supervisor and the employee's regular supervisor is encouraged.

It is the department's responsibility to ensure Modified/Alternate Duty Assignments are flexible enough to allow placement while adhering to the restrictions placed by the health care provider.

Any medical information received should be limited to a listing of work restrictions/functional limitations and duration of such. This information should **only** be shared with those that need to know as a means of protecting privacy. Should you have questions, please do not hesitate to contact Human Resources for clarification.

Human Resources is responsible for ensuring the employee in a Modified/Alternate Duty Assignment is aware of the importance of communicating any changes placed upon them by their health care provider to their supervisor and the Human Resources Department as soon as possible. Human Resources will monitor the various assignments to ensure compliance with City policy.

It is imperative that departments advise the Human Resources Department of any Modified/Alternate Duty Assignments, regardless of duration and/or whether they are work-related or non-industrial.

ARTICLE VII. SICK LEAVE

Refer to Section 3.12.070, Personnel Rules.

ARTICLE VIII. CATASTROPHIC LEAVE

Employees may voluntarily donate accrued vacation and/or compensatory time off (CTO) for credit to another regular employee covered by this Agreement who suffers a non-industrial related catastrophic illness or injury or for the extended care of an employee's immediate family member (as defined in Section 3.00.420 of the City of Roseville Personnel Rules and Regulations). Such donations shall be made in accordance with the following:

- A. The recipient employee must be off work for a minimum of thirty (30) consecutively assigned workdays/shifts and must have exhausted all accrued leave (vacation, holiday, sick leave, compensatory time, etc.) prior to receiving donated leave. This waiting period only applies to the first occurrence of any such illness or injury. An employee is not required to be off an additional thirty (30) days for a reoccurrence/exacerbation of an existing condition.
- B. A donor employee may voluntarily donate up to a maximum of forty (40) hours of vacation, compensatory time and/or floating holiday time in any calendar year. All donations are irrevocable. Donations shall be made in two (2) hour increments. All unused hours shall remain with the recipient employee.
- C. A maximum of sixty (60) days can be donated to any one permanent employee in any one calendar year.
- D. A recipient employee shall be eligible for health benefits while on catastrophic leave with donated time for a maximum of sixty (60) days; however a recipient employee shall not accrue vacation or sick leave during this period.

- E. Employee must provide medical certification for care of an immediate family member. The certification must state that the family member is in need of extended care from the employee, as well as an estimated amount of time required to attend to the immediate family member. Extended care of an immediate family member must be used continuously and not on an intermittent basis. Requests shall be evaluated by the Police Chief and the Human Resources Director to determine the amount of catastrophic leave to be requested in each instance. Requests for catastrophic leave for immediate family care will first start with department members before being requested of other City employees.
- F. An employee donating accrued leave or an employee receiving donated leave shall waive all tax liability of the City through the establishment of the catastrophic sick leave program.

ARTICLE IX. DISABILITY LEAVE

Employees may be granted paid disability leave, based on the following circumstances, terms and conditions. The purpose of providing these programs of paid disability leave is to ensure that employees have reasonable and equitable provisions concerning their job and economic security.

- A. Work related temporary disability. If a regular employee, other than those entitled to benefits under Section 4850 et seq. of the California Labor Code, is temporarily disabled by injury or illness arising out of and in the course of performing assigned job duties, the employee shall become entitled to a leave of absence while so disabled without loss of salary, less workers' compensation disability payments, for up to seventy-five (75) calendar days, commencing upon the first calendar day after the injured employee leaves work as a result of the injury. Correctional Officers and Correctional Supervisor shall be entitled to up to one hundred (100) calendar days.
- B. Following the initial seventy-five (75) days of temporary disability (100 days for correctional staff), an eligible employee may supplement their temporary disability payments with available leave balances (i.e., vacation, sick leave, until such balances are exhausted (up to twelve (12) months)).
- C. During the time of work related disability, an eligible employee will continue to accrue the normal leave, i.e., vacation, sick leave, until such time as their leave balances have been exhausted (up to twelve (12) months).
- D. During the period of time of work related disability, the City will continue to contribute its share to the employee's health and dental plan until such time as all leave balances are exhausted (up to twelve (12) months).
- E. Employees who are found to abuse or fraudulently use the privilege and benefits of the temporary disability program as prescribed above shall be subject to disciplinary action, including termination from City service. The employee exercising these temporary disability provisions shall be required to provide the department head and Human Resources Director with a copy of the attending physician's report, which shall contain a description of the nature and anticipate duration of the disability, and the employee shall keep the department head and Human Resources Director apprised of the medical condition at intervals prescribed by the Human Resources Director.
- F. Employees subject to the provisions of Section 4850 et seq. of the California Labor Code shall not have any portion of their work related disability leave charged against accrued sick leave.

 - 3. Once probationary employees have completed training, they are assigned to a shift on the basis of seniority. From time to time it is necessary to reassign a probationary employee to other shifts for purposes of evaluation or training. Such transfer of a probationary employee may necessitate the temporary transfer of other employees to different shifts. These transfers will be of relatively short duration, and reasonable notice will be given to all affected employees.

A copy of such material shall be provided to the employee. The employee shall have the right to insert in his/her file within thirty (30) calendar days of the employer placing an item in the file, supplementary material and a written response to any item in the file. - E. The employee under interrogation shall not be subjected to offensive language or threatened with punitive action, except that an employee refusing to respond to questions or submit to interrogations shall be informed that failure to answer questions directly related to the investigation or interrogation may result in punitive action. No promise of reward shall be made as an inducement to answering any question. The employer shall not cause the employee under interrogation to be subjected to visits by the press or news media without his or her express consent nor shall his or her home address or photograph be given to the press or news media without his or her express consent.
- F. The complete interrogation of an employee may be recorded. If a tape recording is made of the interrogation, the employee shall have access to the tape if any further proceedings are contemplated or prior to any further interrogation at a subsequent time. The employee shall be entitled to a transcribed copy of any notes made by a stenographer or to any reports or complaints made by investigators or other persons, except those which are deemed by the investigating agency to be confidential. Notes or reports which are deemed to be confidential may be entered in the employee's personnel file. The employee being interrogated shall have the right to bring his or her own recording device and record any and all aspects of the interrogation.

The representative shall not be a person subject to the same investigation. The representative shall not be required to disclose, nor be subject to any punitive action for refusing to disclose, any information received from the employee under investigation for noncriminal matters. This section shall not apply to any interrogation of an employee in the normal course of duty, counseling instruction, or informal verbal admonishment by, or other routine or unplanned contact with, a supervisor or any other employee nor shall this section apply to an investigation concerned solely and directly with alleged criminal activities.

Protection of Rights

No employee shall be subjected to punitive action, or denied promotion, be threatened with any such treatment, because of the lawful exercise of the rights granted under this chapter, or the exercise of any rights under any existing administrative grievance procedure. Nothing in this section shall preclude a head of any agency from ordering an employee to cooperate with other agencies involved in criminal investigations. If an employee fails to comply with such an order, the agency may officially charge him or her with insubordination.

Polygraph Examination

No employee shall be compelled to submit to a polygraph examination against his or her will. No disciplinary action or other recrimination shall be taken against an employee refusing to submit to a polygraph examination, nor shall any comment be entered anywhere in the investigator's notes or anywhere else that the employee refused to take a polygraph examination, nor shall any testimony or evidence be admissible at a subsequent hearing, trial, or proceeding, judicial or administrative, to the effect that the employee refused to take a polygraph examination.
